The Chautauqua Grounds are owned and operated by the New Piasa Chautauqua Association and every person entering or remaining on the grounds must have an Admission Ticket purchased from the Association. The Association reserves the right at all times to revoke the privileges granted to ticket holders and to limit the sale of tickets.

Prices of tickets are as follows:

Adult Season Ticket	\$10.00
Child's Season Ticket (5-12 years) ..	4.50
Helper's Season Ticket	4.50
Daily Admission Ticket50
Guest Coupon Book	
(40 admissions)	10.00

(Note: Purchase of Guest Coupon Books is limited to holders of Adult Season Tickets and coupons are for use only of their house guests. Coupons are good only for the season in which issued.)

A Special Rate will be made for Party Guests (four or more) between the hours of 10 A.M. and 6 P.M., by registering the names of the guests at the office with our Office Manager, who will make and collect the admission charges.

All automobiles must be brought to a full stop at the Gate House at entrance to grounds. Gatekeeper is required to determine that each person entering grounds holds ticket of admission. For your convenience carry Season Tickets with you. Also register Season Tickets at Administration Office within one week of purchase.

If you expect guests notify Gatekeeper in advance and make arrangement for admission charges either by paying for guests' admission or authorizing Gatekeeper to collect admission charges from your guests. Failure to make advance arrangements can cause embarrassment as Gatekeeper is not required to admit strangers to grounds simply because they announce they have come to visit a Chautauqua resident.

Persons arriving at Chautauqua Grounds by river must contact Manager of Grounds at Administration Building to arrange for tickets. No person is permitted to remain on grounds without a ticket.

The President's Message

GREETINGS

The Piasa Chautauqua Sixty-Ninth Season opens Saturday, June 19. A cordial greeting is extended Chautauquans, friends and guests. All are bid to enjoy the rich traditions of this outstanding Summer Resort.

As usual, a Religious (non-sectarian) Social, Educational and Recreational program has been prepared for you. All of which has been made possible by the untiring efforts of the committees and the usual fine Chautauqua spirit.

Arthur G. Maier
President

Life at Chautauqua

Religious Program

Since its inception as the Piasa Bluffs Assembly, a Methodist camp meeting ground, 69 years ago, Chautauqua has maintained its religious atmosphere. Here families bring up their children in a God-centered program of religious training and recreation. While enjoying the beauties of the Chautauqua Valley, the lure of the Piasa Bluffs and the thrills of Alton Lake, young and old parti-

cipate in a program of Christian training that gives purpose to the eleven-week summer season and sets Chautauqua apart from the usual resort.

Heading the Religious Training program for the 1954 season will be William E. Knack, a third year student at Eden Seminary, who will serve as Resident Minister throughout the Chautauqua season. As Resident Minister he will be responsible for the Thursday night Devotions at the Chapel, will preside at the Sunday morning Worship Service, and take an active part in the Church School teaching program. In addition, he will serve as Youth Leader in coordinating the recreational programs of the children and young men and young ladies on the ground.

Mr. Knack was born and reared in Milwaukee. He is a graduate of Elmhurst College, Elmhurst, Illinois. Last year he served as student pastor of a church in Wisconsin. He has had a wide and varied experience as Youth Counselor and will devote much of his time to Youth Activities under the supervision of the Youth Activities Committee headed by Joe Rain.

WILLIAM E. KNACK,
Resident Minister

Sunday Morning Worship Services . . .

Each Sunday morning at 11 a.m. a non-denominational Service of Worship is held in the auditorium. Prominent guest ministers from various Protestant faiths preach throughout the season. A Worship Service in the open-air auditorium is a thrilling experience. A choir, made up of Chautauqua youth, provides special music. Miss Jean Wessel again will provide the instrumental music for all services and direct the choirs.

MISS JEAN WESSEL

Chautauqua Church School . . .

Each Sunday morning at 9:45 a.m. Church School is held in the auditorium under supervision of Mr. Joseph L. Rain, Mr. C. J. Jacoby and Mrs. Milton Grimm. A staff of capable teachers provides excellent

training for all age groups. Accredited attendance cards are given those who attend. Special recognition is given those with a perfect attendance record throughout the season.

Devotional Services . . .

Every Thursday night at the Memorial Chapel Devotional Services will be held under the leadership of William E. Knack, resident minister. Services begin at 7:30. These mid-week services through the years have

become a traditional part of the program and are generously supported by the residents on the grounds as well as guests. Special music and special Bible studies will highlight the Devotional Services this year.

Recreational Program

Life can be lazy - - and very leisurely - - at Chautauqua. But most Chautauquans have too much fun playing to doze in the sun very long!

And play at Chautauqua is designed for all ages. There's organ-

ized play for children that have just learned to toddle, but there's also hot competition at Roque, Horseshoes, or Bowling on the Green, for many past sixty. You're never too old or too young to play at Chautauqua.

For the Very Young . . .

For the little tots and children up to age 12 there's Play School every morning Monday through Friday from 9 to 11:30 a.m. and organized play at playgrounds from 1:30 to 2:30 p.m. This season Mrs. Lorin W. Twigger (the former Sylvia Kurt) has been engaged to handle the Play School. Her popularity with the

children when she served as Lifeguard at the pool in the 1952 season assures the children of an able and likeable teacher and the parents of well supervised play for the children. There's a special playground reserved just for the little ones, with slides, swings and wading pool.

From "Ten through Teen-Age" . . .

There will be supervised play for both boys and girls throughout the summer, the Athletic Committee reports. Each Wednesday morning at 10 a.m. there will be a baseball game for the boys at the Athletic

Field. Also, throughout the season the Chautauqua Boys baseball team will play clubs in surrounding towns. Boys and girls are eligible to enter tournaments in various sports.

For All Ages . . .

SWIMMING

Boasting one of the finest pools in the area, the Chautauqua swimming pool is the center of recreational activities for all ages.

This year the spring-fed, newly painted pool will be under the direction of Frank Woodrow, manager. Miss Barbara Jacoby will serve as chief lifeguard.

Swim tickets are 35 cents each. Books of swim tickets may be purchased as follows: 10-swim books, \$2.00; 30-swim books, \$6.00. Persons desiring to enter grounds for afternoon swim can pay 25 cents at gate and 25 cents at pool by informing gatekeeper of purpose of visit and asking for special combination rate.

Season tickets: \$5.00 for children under 14 years of age. For those 14 years of age and over, \$6.00

Pool hours: 1 p.m. to 5 p.m. daily and Sunday. Pool closed on Monday.

Private swim lessons will be given from 10 a.m. to 11 a.m. on Wednesday, Thursday and Friday each week. \$1.00 per hour.

Pool available for private swim parties from 6 p.m. to 8 p.m. at charge of \$7.00. Advance arrangements must be made with pool manager.

Through the years the Chautauqua swimming pool has been a delight to bathers of all ages largely because Charles M. Horner, perennial chairman of the Pool Committee, has insisted on strict enforcement of the following rules of good manners and safety: No running or games of tag permitted at pool at any time. Eating, drinking or smoking in pool area is prohibited. Strict adherence to these rules means all ages can enjoy the pool without the thoughtlessness of one person spoiling the pleasure of another.

MISS BARBARA JACOBY

ROQUE

Through the years Roque has been one of the most popular sports at Chautauqua. A form of croquet, it originated in England many years ago and has been played at Chautauqua for some forty years. A game that is popular with all ages, the older men often beat out their younger opponents in the hotly contested annual tournament. Lighted courts make possible night as well as day-time games. If you're a stranger to Roque introduce yourself to any of the men, women or children at the courts and they'll be glad to explain the fine points of the game! A special court is maintained for women and children.

BOWLING ON THE GREEN

Another English game, Bowling on the Green, or Lawn Bowling, was introduced to Chautauqua last year by Chautauquans who had become fascinated by the game in Florida. It was an immediate hit - - both with men and women.

The game has been played in England for over 700 years. It came to America with the English settlers and has been popular in sections of the East ever since. In recent years it has achieved great popularity in Florida. Originally played on a closely cut grass lawn, in some places rinks of clay have proved more satisfactory. Rinks at Chautauqua are clay.

The game is played with "bowls" that are not truly round, one side being turned down slightly more than the other side. Thus when the speed leaves the bowl, it drops over on the slightly flattened side, causing the bowl to curve. Thus the bowl, when bowled toward the "jack," does not run in a straight line but describes an arc of a circle. Each bowl has two ivory disks on it, one larger than the other, the small disk marking the slightly flattened side of the bowl. When bowling, the small disk is held to the inside of the arc of the circle that reaches toward the jack.

The jack is a small china ball that is thrown down the rink, as a marker for the bowls to approach. The bowls nearest the jack at the end of the

inning count one point each. The game consists of a number of "ends," or innings, determined upon before the game is begun. All the bowls are bowled to the opposite end, trying to get as close to the jack as possible, and then after being "counted," are bowled back to the starting position again.

It sounds complicated, perhaps, but it is not. It is easily learned and the novice becomes quite efficient after just a few tries. The game is for all Chautauquans, and all are invited to take part in it, either as a spectator or as a participant. Instructions will be given to those interested by competent instructors.

TENNIS

The all-weather tennis courts at Chautauqua have produced some noteworthy tennis players in years gone by. It is the hope of the Athletic Committee that every child who spends a summer at Chautauqua and is big enough to swing a racquet will master at least the fundamentals of tennis. As in many other sports on the grounds you can always find an "expert" who will give you some fine points on the game. Some of the best Chautauqua tennis players are in the 40-and-up age group. They need more competition from the younger players.

BADMINTON

Opposite the tennis courts and bowling green is a vacant lot owned by a Chautauquan who wants it

used for a badminton court. Don't be backward about using it; he expects you to! And whether you're a beginner at the game or a skilled player you'll find your match on the Chautauqua grounds.

HORSESHOES

Watching some of the old-timers throw ringers might lead one to believe that in another generation horseshoe pitching will be a lost art, but not so at Chautauqua. The age-range on horseshoe pitching is from eight to nearly eighty. Here is a sport in which youth nearly always learns from age - - but not fast enough. Chautauqua needs better young horseshoe pitchers to compete with our venerable dead-eye pitchers. The court near the Administration Building is yours to use.

SHUFFLEBOARD

Men, women and children heed the call to the shuffleboard courts. Anybody can play it but don't let that fool you; it takes practice to develop real skill such as is demonstrated in tournament play at Chautauqua. Take a little time to try your luck with shuffleboard at courts near the Administration Building.

TABLE TENNIS

There's more than relaxation to the game of table tennis or ping-pong. For those who like to get their exercise quickly there are ping-pong tables waiting for you at the River-

front Pavilion. Secure paddles and balls at Station Stand.

The only charge for participation in any of the sports at Chautauqua is for the use of the swimming pool. You are invited to participate in all of the other sports free of charge. Your admission ticket buys you the privilege of the playing courts.

BOATING

Not all of the recreation at Chautauqua is found on the grounds. The Mighty Mississippi River passes by our door, its current slowed by the dam at Alton to form Alton Lake. The Alton Lake area is one of the fastest growing boating areas in the United States, and Chautauqua, nestled in a valley between the beautiful stone bluffs which stretch from Alton upstream to Grafton, Illinois, is the harbor for many of the area's pleasure boats. The docks at Chautauqua are maintained by the Chautauqua Yacht Club and rental of berths at the dock is through the Yacht Club. If motor boating, sailing, water sports or fishing appeal to you then you'll agree with many Chautauquans that the most fascinating side of Chautauqua life is its Life on the Mississippi. But you needn't own a boat to experience some of the thrill of the river. You can sit on Riverview Lookout, maintained by the L.C.I.A., and watch the mighty barges churn by, laden with whole "trainloads" of valuable cargo, or idle away the hours watching sailboats slip in and out amid

the motor-driven pleasure crafts that dot the majestic stream. And at the end of day you can turn your eyes upstream and see the sun set in a riot of color over the confluence of the Illinois River and the Mississippi.

It is not surprising that the committee of ministers and laymen seeking the site for the Chautauqua As-

sembly as they came by boat up the river from Alton immediately settled their eyes and minds on the beauty of the Valley as they saw it nestling between the stone bluffs that form the Illinois shore of the Mississippi. Every Chautauquan who sees Chautauqua from the River is eternally grateful that the Committee chose Piasa Valley for their Assembly site!

All Playing Courts Are Closed
On Sunday Until After Church Services

Entertainment Program

Life at Chautauqua can be just as busy as you want to make it. Each week finds a series of regularly scheduled events for your entertainment. Usually Sunday nights are left open, but several times during the season there are "home movies" at the Auditorium showing vacation scenes. All are invited to see the travel pictures made by fellow-Chautauquans on their travels. Sometimes you get, along with the travel pictures, shots of events at Chautauqua. On other Sunday nights during this season there will be a reception for the Chautauqua staff, a dedication of the Billy Clarkson Memorial and other events which will be announced by bulletin board and through the schedule of daily events.

Community song fests and movies are the steady entertainment diet for Monday, Wednesday, Friday and Saturday evenings throughout the season. On eight of the Saturday nights a dance at the Riverfront Pavilion will be held immediately following the movie at the Auditorium.

Music for the dances will be provided by such popular and well known dance bands as Ronnie Klaus, Hank Penning, Barney Hale and Otis Berry. See the daily schedule for dance night dates.

Tuesday nights are reserved for the weekly card parties sponsored by the Ladies Civic Improvement Association. The parties are held at the Springs Hotel, beginning at 8 p.m. All ladies on the grounds are invited to attend. Beautiful prizes are awarded for bridge, canasta, and pinochle. On Tuesday, August 10, a special invitation is extended to the men to attend the card party.

Following the Devotional Service on Thursday nights there are usually special activities for children. Watch for announcements on bulletin board or at auditorium. Likewise efforts are being made to organize a Square Dancing group for either Wednesday or Thursday nights. If interested, contact Mr. or Mrs. Claude Huss or Mr. or Mrs. Harold Roberts.

Organizations

In addition to the salaried staff and the Board of Directors of New Piasa Chautauqua Association who devote their time to making Chautauqua a place of beauty and enjoyment there are a number of organi-

zations that function throughout the year or the season adding an important ingredient to the Season's success. Listed on the following pages are the organizations:

Ladies Civic Improvement Association

Occupying a unique position among organizations is the Ladies Civic Improvement Association, or L.C.I.A. as it is known on the grounds. Membership in L.C.I.A. is open to all ladies at Chautauqua. Organized more than 40 years ago to bring added improvements to the grounds the L.C.I.A. now is responsible for the management and furnishings in the Springs Hotel and the Station Stand. Managers of these enterprises are hired by the L.C.I.A. and report directly to that organization.

In addition, the L.C.I.A. maintains Riverview Lookout and Memorial Chapel, sponsors the annual Children's Day, which this year is a two day affair (Friday, August 13 and Saturday, August 14), underwrites two of the dances during the season, sponsors the weekly card parties, chaperones the dances, provides activities for children on Thursday night, sponsors the Girls' Club and in many other unofficial ways contributes immeasurably to the success of each season.

Chautauqua Men's Club

Often initiating ideas for the betterment of Chautauqua or carrying out a project inaugurated by the Board of Directors of the Association, the Chautauqua Men's Club has a notable record of worthwhile achievements through the years. Every man on the grounds should belong to the Men's Club and every man is invited to become a member by contacting an officer or director. Among recent achievements of the Club were the raising of funds for purchase of more adequate fire fighting equipment for the grounds and the launching of an educational program of safety and fire fighting

techniques under the leadership of Charles Feldwisch. Fourth of July festivities are under the supervision of the Men's Club with Vice President Rippley in charge. This year the observance will be held on Monday, July 5, starting with balloon ascension contest at 10 a.m., and continuing with games and contests throughout the afternoon, barbecue supper at 5:30 p.m. and fireworks display at Riverfront immediately following the movie. Annual dinner and election of officers will be held at Kentucky Home at 6:30 p.m. Sunday, August 29.

ACKNOWLEDGEMENT

As a means of bringing freshness and a more accurate presentation to the printed program your Program and Publicity Committee sought pictures of Chautauqua scenes for use in the 1954 edition. The invitation to submit snapshots was extended to all Chautauquans. Many responded - - but more with regrets than with snapshots.

However, we are indebted to Jim Kurt, Milton Grimm, Bill Colbert and Larry Colbert who lent us enough of their snapshots to produce the montage used on the cover of this program.

For future programs the Committee will need many more photos depicting the scenery and life at Chautauqua. Will you cooperate as the boys did by submitting some of your photos? If you will contact W. J. Niergarth or Harold Colbert they will see that your pictures are passed on to next year's Program and Publicity Committee.
